## THE HEAD'S PREAMBLE

We have enjoyed a successful week back after half-term, kindly helped by glorious sunshine!

My thanks to those of you who have expressed an interest in our 'Friends of the Prep'. I am looking forward to meeting with you, albeit virtually, next week.

You will note that we have confirmed 'Short Sleeve Order' meaning pupils no longer need to wear their ties.

My thanks to you all for your generosity and support of our founding gift.

I wish you all a lovely sunny weekend.

## SUMMER 'SHORT SLEEVE ORDER'

Please note that in line with our Uniform Policy and with the continued sunshine, pupils will no longer be required to wear their ties to school.

## FOUNDERS GIFT

Please note the deadline for donations is today at midnight. Thank you for your support and generosity.

## SUNCREAM

We are enjoying a lovely period of sunshine and warm temperatures. Please ensure your child comes to school with suncream already applied. We will continue to use the bottle they have in school to top up protection during the day.

HAPPINESS

and Aspiration

## In Class

The main areas of learning that the children will be focusing on will be:

Maths – we will be learning about positional language and directing our friends to different places.

Literacy - we will be reading 'The Rainbow Fish' and adding actions to the story.

Phonics - we will be revisiting some sounds that we have found tricky and using them blending and segmenting.

Discover - we will be learning about plastic pollution in the oceans, and we will create a whole class piece of art out of junk.

Please can you bring in 3 pieces of junk that we can use to create a whole class piece of art. Something that can be easily stuck down, for example crisps packets, used foil etc.

The rhyme this week can be found on the last page of the newsletter. We'll be encouraging the children to have a go at creating their own rhyme by changing the sea creature.
