## THE HEAD'S PREAMBLE

It has been an absolute delight to welcome all pupils back to school this week. I have been impressed by their engagement and ability to settle back into the school routines.

The sound of laughter, excitement and the level of focus from our pupils has been commendable.

We will be shortly be emailing instructions for Parents Evening which will be held on Tuesday 23<sup>rd</sup> and Wednesday 24<sup>th</sup> March.

I hope you all enjoy the weekend and we look forward to another positive and enjoyable week ahead.

### In Class

The main areas of learning that the children will be focusing on will be:

Maths - we will be learning about the properties of 3D faces (curved, flat, faces). We will also learn the shape names for cube, cuboid, sphere, pyramid and cone.

Literacy - we will be finishing off our story maps and also telling stories using story language, such as once upon a time.

Phonics - we will be focusing on our sounding out and blending skills to recap all sounds we have learned so far.

Discover - we will be learning about the changes that will happen in spring and we will have a surprise guest.

This week we are looking at the first part of the rhyme, *I'm a Little Acorn*. We will be focusing on the repetition and how the lamb is described.

I'm a little acorn watch me grow.  
First, I'm a sapling way down low.  
Then my trunk grows up so very slow,  
And all my branches, grow, grow, grow.
