THE HEAD'S PREAMBLE

This year, we've all witnessed the positive power that society can have when it comes together to tackle a common challenge.

Anti-Bullying Week is no different. Bullying has a great impact on those who witness and experience it. Through our shared efforts and ethos, we will be coming together to make a difference. Uniting against bullying.

1 ODD SOCKS DAY

This Monday, Odd Socks Day marks the first day of Anti-Bullying Week and is one way we will be raising the awareness of bullying. All pupils are encouraged to express themselves by wearing a pair of odd socks; one way to celebrate their individuality.

We all have a part to play this **Anti-Bullying Week**.
What will yours be?

HAPPINESS

and Aspiration

This week's main areas of learning that the children will be focusing on are identified below.

Maths

We will be learning all about what money is and how we use money. We will be looking at the coins 1p, 2p, 5p, 10p and 20p.

Literacy

We will be reading the book 'Alfie gets in first' and adding actions to the words to help us retell the story.

Phonics

We will be learning the new sounds l, ll, ss and the tricky words l, no, to, go.

Discover

We will be focusing on firefighters and learning about how they help us. We will be taking part in anti-bullying week and celebrating difference.

Each week the children discover a new poem, this week they studied "Use Your Arms (Part One)".

Use your arms like a policeman:
make the traffic stop and go.
Use your arms like an archer:
shoot an arrow from your bow.
Use your arms like a strongman,
lifting up a heavy weight.
Use your arms like a scarecrow:
stick them out all stiff and straight.
Stretch, shrug,
Fold, hug:
Use your arms.
Use your arms.

Houses

Each week we share with the children the latest house totals. They were super excited to hear how their house (family) was doing and how they can help them be successful. They learnt that the teamwork and creativity they showed in their Owl Coin Challenge also contributed to their house's total.

All stars awarded are collated by the form tutor, totalled up and then fed into the House totals.

Below you will find a list of the members of each House and the current standings.
