THE HEAD'S PREAMBLE

Next week, we will hold our previously postponed Interhouse Cross Country. You may well have differing experiences of cross country from your own time in school, some positive and some potentially at the other end of the spectrum.

However, following completion of Tuesday's event, each child will have successfully tested themselves. It is opportunities such as these, having a go and trying their best, that supports our pupil's personal development. As a house event, every single child will be contributing to their house's potential success, fostering a collective desire to do well, not just for themselves but for those around them. I am sure you will agree these are worthy reasons to take part in cross country!

CROSS-COUNTRY

Our inter-house class cross-country is on the afternoon of Tuesday 18th May. Unfortunately, it isn't possible for you to spectate, but hopefully you will be able to next year!

THE BIG ASK

This closes on 19th May, if your child would like to take part, please visit [here](#).

BEFORE & AFTER SCHOOL CLUB

Wisepay is now able to accept bookings for after half-term.

HAPPINESS

and Aspiration

In Class

The main areas of learning that the children will be focusing on will be:

Maths – we will be learning how to share using physical objects and learning what half is.

Literacy - we will continue to orally retell stories using story language and expressive voices. We will also write some parts of the story.

Phonics - we will be continuing to develop our blending and segmenting skills by moving on to consonant, vowel, consonant, consonant (CVCC) words such as 'tent'.

Discover - we will be continuing our project, which is to create a minibeast fact file. This week we will learn about life cycles. We will display our work for the other class to view.

This week's rhyme is *'There is a Worm at the Bottom of the Garden'* and appears on the last page of this week's newsletter.

He's wiggling his life away

There's a worm at the bottom of my garden
