## THE HEAD'S PREAMBLE

It has been an absolute pleasure to look through and see all the work that our pupils are doing at home and at school.

Thank you for all your hard work in continuing to support your child's education.

If we can be of any assistance then please do get in touch, we are here to help.

I wish you all a lovely weekend.

## BE FUNKY

This is a collage maker, which is free to use and they also have an App. This is great for collating images of your childrens' work on the same topic before uploading onto Early Excellence. You can access it [here](#).

## EARLY EXCELLENCE

Do try to use Early Excellence when submitting your child's work. If you can include the date done and the topic (e.g. numeracy) along with the details you already write, we can then link it to the Early Learning Goals for your child.

## HELP WITH PRINTING

We will continue to send home printer packs of resources to those who need it. However, please note that Money Properties estate agents are offering free printing for those needing help. Contact them in their Wymondham office on [post@moneyproperties.co.uk](mailto:post@moneyproperties.co.uk)

# and Aspiration

## In Class

The main areas of learning that the children will be focusing on will be:

Literacy - We are going to be looking at the story Little Red Riding Hood in detail and story mapping the key events.

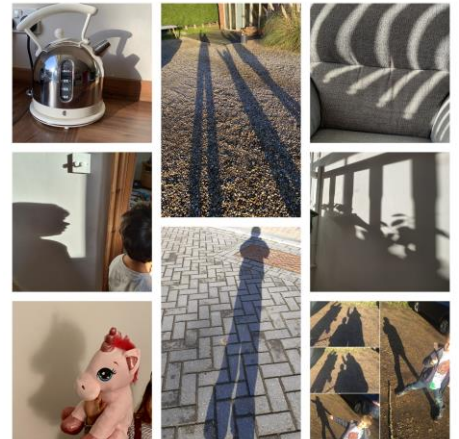

Maths - We are going to be understanding and using the language 'more', 'less' and 'fewer' and comparing groups of objects so we can use the maths vocabulary.

Phonics - We will be learning the new sounds 'th' and 'ng' and recapping the names of the letters.

Discover - We will be learning about the artist Piet Mondrian and we will create our own versions of his artwork. We will also learn about the primary colours.

Each week the children discover a new poem, this week they studied "Hickory Dickory Dock"

Hickory dickory dock,  
The mouse ran up the clock,  
The clock stuck one,  
The mouse rang down,  
Hickory dickory dock,  
Tick, tock, tick, tock.
