16th July 2021

THE HEAD'S PREAMBLE

As the sun shines down on the last few days of term, we continue to navigate our community safely to the end of term and begin to glance at the future prospects of holiday plans and moving into the new building.

I am reminded by a parent's recent comment on how proud we must be with all we have achieved this year, which I am, but our success has been built from our collective community, staff, parents and pupils alike, striving for the success of our school, for which I am personally grateful to you all.

Finally, I am delighted that we are able to include a message, our first, from the *Friends of Wymondham College Prep* who have their first event set up for the last day of term.

PHONICS KEYRINGS & READING BOOKS

Please can these be returned to school in your child's book bag on Monday 19th July. Please note that reading books were collected in today. Children can still access the online library for reading books through the Oxford Reading Tree.

FRIENDS OF WYMONDHAM COLLEGE PREP

Please find a message from the Friends on the last page of our newsletter, regarding an event on the last day of term and during the Summer holidays.

HOME CLOTHES

On Monday 19th July, we are raising money for the two charities nominated by the pupils. These are [WellChild](#) and [Marine Conservation Society](#). Pupils are invited to come to school in their home clothes along with a suggested donation of £1.

HAPPINESS

and Aspiration

In Class

The rhyme this week is 'Under the Water':

Fish blow bubbles under the water.
Here's how the fish blow bubbles under the water.
Why don't you swim underwater with me?
Look through your goggles and see,
How the fish blow bubbles under the water,
Down below.

Tadpoles wriggle under the water.
Here's how the tadpoles wriggle under the water.
Why don't you swim underwater with me?
Look through your goggles and see,
How the tadpoles wriggle under the water,
Down below.

Seaweed flutters under the water.
Here's how the seaweed flutters under the water.
Why don't you swim underwater with me?
Look through your goggles and see,
How the seaweed flutters under the water,
Down below.

Sharks eat fishes under the water.
Here's how the sharks eat fishes under the water.
Why don't you swim underwater with me?
Look through your goggles and see,
How the sharks eat fishes under the water,
Down below.

Founding Gift

Thank you for voting for the founders gift. We are pleased to say that play equipment won and we are working to identify some equipment to start the play area for the children and hope to get this installed in the autumn term. We are also looking at planting a tree to mark the school's foundation. Thank you for all your support and for offering a great start to the play area in the new school that we can continue to build upon.

19 Home Clothes	20 Sports Kit Games	21 School Uniform	22	23	24	25	

A warm welcome from the 'Friends of Wymondham College Prep' (FOWCP)

We are a group of volunteers aiming to support the Prep by engaging with friends, relatives, and the local community to provide fundraising opportunities that will help enhance, enrich and improve the learning experiences for all our children.

As a warm welcome from us, we have our first raffle. We have one weekend family ticket (1 adult & 3 children or 2 adults & up to 3 children) for the 'Festival of Sport at Holkham Hall' for the Saturday 14th August and Sunday 15th August worth a minimum of £ 190! We will be selling tickets on the last day of term in the morning and at afternoon collection for just £1 a ticket or 15 tickets for £ 10. The winner will be announced on the same day.

If you would like to join the group as a volunteer or find out more, please email us on:

friendsofwymondhamcollegeprep@mail.com

From everyone at FOWCP, we wish you and your families a very warm and happy summer.

PS – Save the date.... Saturday 28th August 1:30-3.30pm will be the FOWCP summer picnic, please see the attached flyer for more information.
