THE HEAD'S PREAMBLE

In glorious sunshine, our pupils took part in the first inter-house event of the term and the first cross country event in our school's history.

They should all be commended for their efforts; challenging and supporting each other the whole way. Their collective endeavour was so commendable that they each received a blue star in recognition for their efforts.

My congratulations go to the four winners on their performance and to Cavell, who were the overall winners. Each house received a points award to go towards the House Championship. Final positions were: 1. Cavell 2. New Hall 3. Peel 4. Fry 5. Kett

Next year, we will run in year groups and hopefully with spectators...

These remain the same after half-term. We will be in touch regarding September clubs towards the end of the Summer term.

HAPPINESS

and Aspiration

In Class

The main areas of learning that the children will be focusing on will be:

Maths – we will be learning what even and odd numbers are while still focusing on halving.

Literacy - we will be making 'The Very Busy Spider' story our own by changing the main character, such as 'The Very Busy Butterfly'. We will also be writing sentences about the story.

Phonics - we will continue to develop our blending and segmenting skills by moving on to consonant, consonant, vowel, consonant (CCVC) words such as 'spot'.

Discover - we will be continuing our project, which is to create a minibeast fact file. This week we will display our work for the other class to view.

This week's rhyme is 'There's a Tiny Caterpillar on a Leaf' and appears on the last page of this week's newsletter.
