## THE HEAD'S PREAMBLE

As I mentioned in my letter home earlier in the week, we are acutely aware that there is a great deal going on at home for you all. I wish to reassure you that we understand it is not going to be possible to complete everything everyday.

There will be a constant need to prioritise and balance everything during the day so please do. There are huge merits in play breaks for your child and for you.

If we can help with prioritising or routines, please do get in touch.

## In Class

The main areas of learning that the children will be focusing on will be:

**Maths** - This week we will be measuring length and using the language long, short, longer, shorter, longest and shortest. We will also start measuring objects using non-standard measurements e.g. cubes.

**Phonics** - We will be learning the new sounds 'ai', 'ee' and 'igh' and practice using them to blend.

**Literacy** - We will be building upon our story mapping by retelling the main parts of the story 'The Three Little Pigs' and then story map the whole story of the 'Little Red Riding Hood'.

**Discover** - We will be looking at the artist Henri Matisse and create our own collages which will help develop our fine motor control.

Each week the children discover a new poem, this week they studied "Hey Diddle Diddle"

Hey diddle diddle,  
the cat and the fiddle.  
The cow jumped over the moon.  
The little dog laughed,  
to see such fun.  
And the dish ran away with the spoon.
