THE HEAD'S PREAMBLE

With just over three weeks to go, it is hard to believe we are almost at the end of our first academic school year!

During these final weeks, we will undertake Sports Day (I'm afraid it won't be possible for parents to attend this year), welcome both Miss Taylor and Miss Sharp to the Prep to meet and spend some time with our pupils, issue your child's final report of the academic year and support our School Council's first fundraising event.

This week was also Thank A Teacher Day – I remain incredibly grateful for the continued efforts and dedication to enabling our pupils to flourish! Thank you!

END OF TERM

Please note that the end of term is Wednesday 21st July at 3.15pm. There will be no clubs or extended day provision. Breakfast club will operate as normal.

LONG HAIR

Please ensure that your child's long hair is tied back, as this prevents it falling over their face when writing and working in school.

TROPHIES

Could all trophies please be returned to Mrs Raw in the school office on Monday 28th June.

HAPPINESS

and Aspiration

In Class

The main areas of learning that the children will be focusing on will be:

Maths – we are continuing to problem solve with a focus on sharing and halving between, 2, 5 and 10 groups.

Literacy - we are going to be focusing on story telling language and retell stories verbally and written in sentences.

Phonics - we are being digraph and trigraph detectives by spotting them in a range of words, such as train, paint and lightening.

Discover - we are going to be painting our fish that we have made using a range of materials, while learning some facts about sea creatures.

The rhyme this week is ‘A sailor went to sea, sea, sea’ and can be found on the last page of the newsletter. We will be focusing on clapping along to the rhythm of the rhyme this week.

Inspiring Norfolk

This project aims to inspire Norfolk children and their families to enjoy learning together through focusing on Norfolk's inspiring people, places, artefacts and events. It has been put together by five enthusiasts for learning and for Norfolk. The website will have over 50 short films on it by mid-June and will grow beyond that. Each film has suggested activities to stimulate your interest in all things Norfolk, past and present.

It is hoped that families will create their own short Festival of Learning together as well. All the resources are free, and the website will remain open till December. Just log in to - www.inspiringnorfolk.co.uk – choose some resources (short films just 5 to 10 minutes) – and be surprised, challenged and hopefully inspired to learn more and maybe even go out and enjoy the places mentioned. You will be surprised at the richness of the local environment

Rhyme of the Week

A sailor went to sea, sea, sea,
To see what he could see, see, see;
But all that he could see, see, see,
Was the bottom of the deep blue sea, sea, sea!
