30<sup>th</sup> April 2021

## THE HEAD'S PREAMBLE

Another busy week has passed in the Prep, with the children once again having the opportunity to experience something new, with their first try at playing rounders.

We have taken the time to revisit what it means to be our 'best self', looking after each other, listening to each other and looking after our school environment. The time spent thinking about what this means and our commitment to each other will continue to develop the children's sense of community and selflessness.

I wish you all a lovely sun filled bank holiday weekend.

## MONDAY 3<sup>RD</sup> MAY

This is a public bank holiday, and the school will be closed. We look forward to welcoming all pupils back to school on Tuesday 4<sup>th</sup> May.

## NUMBER DAY

is on Friday 7<sup>th</sup> May. During the day, we will be celebrating all things Mathematical through various different activities.

## CROSS-COUNTRY

Normally this would have taken place in the Spring term. However, this year we will be running our inter-house class cross-country on the afternoon of Tuesday 18<sup>th</sup> May. Unfortunately, it isn't possible for you to spectate, but hopefully you will be able to next year!

# HAPPINESS

# and Aspiration

## In Class

The main areas of learning that the children will be focusing on will be:

Maths – we will be counting within 20 and finding 1 less. We will also be looking at subtraction and using resources to support us.

Literacy - we will be story mapping 'The Very Busy Spider' and writing sentences about the story. We will remember to use capital letters, finger spaces, full stops and to write on the line.

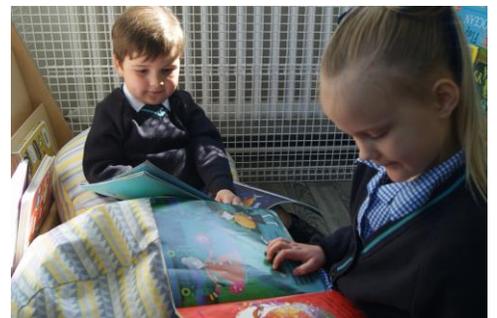

Phonics - we will be revisiting the sounds 'ear, air, ure' and practice our segmenting and blending.

Discover - we will be learning what a habitat is and what minibeast habitats are. We will be creating a minibeast habitat using natural resources and boxes.

This week's rhyme is 'A Tiny, Tiny Worm'.

A tiny, tiny worm  
Wriggled along the ground.  
It wriggled along like this  
Without a sound.

It came to a tiny hole,  
A tiny hole in the ground.  
It wriggled right inside  
Without a sound.

# The Week Ahead
