THE HEAD'S PREAMBLE

This week has been Children's Mental Health week and I have really enjoyed seeing the work from our remote learners who have been looking at the theme of happiness and themselves in some detail.

Being able to comfortably recognise the things that make them smile and laugh, identify their own talents, and understanding happiness and how they can help others be happy will benefit them, their families and our community.

I wish you all the happiest of weekends!

EARLY BIRDS & EXTENDED DAY

It is now possible for those pupils who are engaged with in-school provision to book Early Bird breakfast club and Extended Day provision for the next half-term. Please book sessions as usual on WisePay.

RM EASIMATHS

You will soon receive a login for your child to be able to access this online Maths learning site. Similar to TeachYourMonstertoRead, children will be able to work independently on this.

WEEKLY SOCIALS

For our Remote learners, these will start next week and we will be in touch soon with meeting information and which group your child is in.

HAPPINESS

and Aspiration

In Class

The main areas of learning that the children will be focusing on will be:

Maths - We will be learning about weight and using the vocabulary: heavy, heavier, heaviest, light, lighter, lightest, same, balanced and equal. We will be using balance scales and making our own with a coat hanger, plastic cups and string.

Literacy - We will be innovating Little Red Riding Hood by changing the characters to make it our own story.

Phonics - We will be learning the new tricky words 'my, was, they' and having a practice at writing some sentences using our phonics knowledge to support us.

Theme - We will be learning about Chinese New Year by listening to the story and looking at the similarities and differences between our New Year celebrations and the Chinese New Year celebrations.

Each week the children discover a new poem, this week they studied "There was a Princess long ago". You can revisit it using the link below:

Remote Learning

Thank you for all your efforts in supporting your children's learning this week. If you have any questions or concerns regarding home learning, then please do contact your child's tutor.

In line with our in-school provision, pupils will receive activities and/or videos from the following subjects on the following days.

Monday – Dance

Tuesday - Games

Wednesday – Music

Thursday – French & PSHE

Friday – Character & Art

These will compliment our provision in phonics, talk for writing, numeracy, discover, co-curricular club and daily connect.

House Championship

Stars have been awarded to pupils in school and at home this week. Below are the current standings.
