THE HEAD'S PREAMBLE

This week in school, a great number of pupils have been preparing their reasons for being voted onto our school council.

Whilst their individual plans may vary, it is clear of their commitment to helping the school improve and to show kindness to their peers.

This shows that they are very proud of their school and they feel connected to its future success.

ONLINE NEWSLETTER

Attached to this week's newsletter is our online safety newsletter, which focuses on Roblox, Minecraft, YouTube, Gacha Life and WhatsApp's View Once.

EARLY BIRDS & EXTENDED DAY

It is now possible to book the sessions for after half-term. Please note we are not able to offer any Extended Day provision on Tuesday 16th November.

GIFT FROM THE FRIENDS

All children will be coming home with a free wall planner, kindly donated by the Friends of Wymondham College Prep School.

HAPPINESS

and Aspiration

A week in Underwood Hall

It has been a week of much development and progress in Underwood. The garden is slowly taking shape and we hope that by the time boarders' parents come to collect for half term that you will get a sense of this impressive space. As some may have seen in the Underwood Twitter page, we went on our first weekend trip last Saturday to Gravity! Budding young chocolatiers then took over on Sunday producing some excellent and highly original products. We took delivery of F1 2021 for the PS4 which has gone down well. I have identified the need for lots of practice so that is effectively half term sorted!! Aside of this excitement, we still found time for some high-octane team Jenga, just showing that technology is not always the answer.

Exciting News!

In the next week, we have lots of new toys and equipment arriving for the WCP children to play with at lunch and break. This is all thanks to your generosity at our recent events so thank you. However we need your help again ...

We need books for the outdoor library boxes first and foremost, so over the weekend if you feel like having a sort out, there will be a box in reception from Monday for you to drop them in. The more you can donate, the more reading our children can do :)

Secondly, we have been working with WCPS to create a wish list of items for the children to use at break and lunch - we have started purchasing from the list but there's still lots on there. All of the items will be going directly out on the playgrounds, so if you can purchase anything we'd appreciate it lots! We have bought tuff trays for example, but have no toys to go on these ... anything you can do would be fabulous. Have a lovely weekend. We can't wait for our items to arrive & start being played with

House Championship

The Week Ahead...

Week Commencing 11.10.21
